

**Damage Waiver policy:**

We offer a damage waiver on most of our equipment rentals. The damage waiver covers potential breakage on equipment that can occur while you are using it. It is 8% of the equipment rental. The rate is subject to change without notice. There are per item differences between what the policy fully covers that are noted on the contract. The damage waiver does not cover loss, theft or abuse of the equipment. We do not offer a policy that covers the user of the equipment.

Equipment where no damage waiver is offered includes: our vehicles, stump grinders, telehandlers, among other equipment. This is a non-exclusive list and is subject to change without notice.
